

EXERCISES AND EXACT SOLUTIONS

Learning Gaps to Proportionate Support

Independent practice, facilitated discussion, and assessment reference

Production Unit	PU-B07-C38
Notebook	V7_C_N03
Version	0.1
Assessment boundary	Learning evidence—not operational authorization

Instructions

Complete Part A before consulting the solutions. State assumptions explicitly. Where evidence is insufficient, write an abstention or escalation response rather than inventing precision.

Exercise 1

Add plausible values or replicate weights conceptually.

- Required output: a concise decision-ready response with owner, evidence, uncertainty, and boundary where applicable.

Exercise 2

Compare mean and proficiency reporting.

- Required output: a concise decision-ready response with owner, evidence, uncertainty, and boundary where applicable.

Exercise 3

Add language/accommodation checks.

- Required output: a concise decision-ready response with owner, evidence, uncertainty, and boundary where applicable.

Exercise 4

Explain why a flagged school should not be sanctioned.

- Required output: a concise decision-ready response with owner, evidence, uncertainty, and boundary where applicable.

Exact solutions and scoring guide

Solution 1

Combine estimates across plausible values and use the survey variance method specified by the assessment design.

Solution 2

Means and threshold shares answer different questions and both have uncertainty.

Solution 3

Verify construct comparability, accessibility, sample size, and disclosure.

Solution 4

Results may reflect sampling error, intake, resources, attendance, language, accessibility, and implementation; the output is diagnostic support evidence, not proof of misconduct.

Scoring rubric

Criterion	Strong evidence	Revision required
Decision framing	Owner, action, horizon, authority named	Model output substituted for decision
Evidence	Concepts, grain, provenance, limits explicit	Data treated as self-explanatory
Uncertainty	Abstention/escalation used appropriately	False precision or hidden limitations
Governance	Human authority and safeguards retained	Authority silently delegated
